Membership in LAW allows member firms to service the legal needs of clients that are expanding their operations and relationships into new domestic and foreign markets because of the increasing globalization of the business world. Members of our organization are among the most prominent law firms in their respective jurisdictions, with both commercial and litigation practices that are geared to middle-market clients.

The name "LAWYERS ASSOCIATED WORLDWIDE" and the design in which it appears are marks or registered marks (for services or collective membership) in the United States of America, Canada, the United Kingdom and other countries.
